HDB'S BUILD-TO-ORDER SALES LAUNCH • FEB 2016

Alkaff
OASIS

A Green Oasis

Alkaff Oasis, the second project under HDB's Bidadari Masterplan, is situated at the junction between Bidadari Park Drive and Alkaff Crescent.

Alkaff Oasis is designed to create an oasis where stretches of green spaces fuse landscape to the blocks and connect nature to people. The development consists of 16 residential blocks arranged along the periphery of the site.

Sky Terraces and roof gardens located above the multi-storey car parks are open to the public.

You can find a home that suits your needs from a total of 1,594 units offering 2-room Flexi, 3-, 4-, 5-room, and 3Gen Flats. Please refer to the site plan to look at the facilities Alkaff Oasis will have.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
